Great, thanks. Victor from LAHSA and his team have done a great job coordinating with SJC to come up with a long term plan to make sure this corridor remains clear as well. So I've looped in Victor for his and all of your knowledge,

Not sure if CD5 is experiencing the same thing all the way down Venice, but I do know that the northwest corner of Sepulveda and Venice has seen some increased presence of folks and their items. CCing Joe Galloway to speak on CD5 behalf

Hi Hannah,

We'll coordinate a response to these locations through the UHRC. Does CD5 need to be looped in? Are any of these encampments in their district?

Thanks.

Brian

Hey folks,

There are a number of encampments that have spread onto Venice, east of the Globe/Tuller encampment between Inglewood and Beethoven. They are not very large, often 1-3 people max with a good number of unclaimed bulky items in between.

I'm reaching out to ask if the UHRC might be able to coordinate a series of rapid response and spot clean ups on the street? Below are the specific locations and photos are attached in the order I mention the encampments.

- Venice/Colonial
- Between 12420 and 12440 Venice
- Grandview / Pacific Behind Post Office
- In front of Mar Vista Library
- Parking lot of Mar Vista Cleaners - 3831 Grand View Blvd, Los Angeles, CA 90066
- Grandview and Venice (on Eastside of Grandview)
- 11942 Venice (near Marcasel and Venice)

Please let me know.

Many thanks,
Hannah
